WHAT ARE LIONS?

Men and women dedicated to serving those in need, whether in their community or around the world. They are members of clubs organized in an international organization. In addition to humanitarian service, they enjoy fellowship and develop leadership capacity.

"Lionism" is the practice of taking an active interest and/or involvement in the civic, cultural, social, ethical, financial, and moral welfare of the community without receiving or expecting monetary reward.

Our motto is "WE SERVE"
